

Friday 24.04.2026					
Time	Lobby	Congress Hall	Piano Hall	Diplomatic Hall	Director Hall
10:00-11:00	Registration				
11:00-13:00		Session 1: Machine Learning Methods and Applications	Session 2: Large Language Models and Retrieval - Augmented Systems	Session 3: Computer Vision and Multimedia Processing	Session 4: AI in Healthcare and Biomedical Systems
13:00-15:00	Lunch break				
15:00-16:00	Registration	Session 5: Software Systems, Architectures, and Data Engineering	Session 6: AI Theory, Explainability, and Reasoning	Session 7: Intelligent Systems, IoT, and Autonomous Applications	
16:00-17:00					Workshop: PRIME alert - PerRsonalised Micro Environmental change Alert
17:00-17:30		Coffee break			
17:30-18:00		Opening Ceremony (Congress Hall)			
18:00-19:00	Keynote speaker (Congress Hall) Filip Ilievski, Vrije Universiteit, Amsterdam: A Neurosymbolic Perspective on Commonsense Abstraction and Reasoning				
20:00	Dinner in Hotel Drim				
Saturday 25.04.2026					
Time	Lobby	Congress Hall	Piano Hall	Diplomatic Hall	Director Hall
09:00-11:00	Registration	Session 8: Language Models, Agents, and Systems	Session 9: Data Security, Privacy, and Trustworthy Systems	Workshop: FCSE presentations	Workshop: LLM reliability
11:00-11:20		Coffee break by Sorsix			
11:20-12:20		Keynote speaker (Congress Hall) Massimiliano Zanin, IFISC (CSIC - UIB), Spain: AI in Aviation: Why on collision course?			
12:20-12:35		Sorsix talk (Congress Hall): From Model Metrics to Care Delivery: Governing Clinical AI in Practice			
12:35-13:00		Workshop (Congress Hall): Vezilka			
13:00-13:10		Conference group photo			
13:10-14:30	Lunch break				
14:30-16:30	Registration	Session 10: IEEE Student competiton	Session 11: IEEE Student competition	Session 12: Student	Session 13: Student
16:30-16:45		Coffee break by LOKA			
16:45-17:45		Keynote speaker (Congress Hall) Danilo Gligoroski, Norwegian University of Science and Technology: Cryptography and AI, An LLM Framework For Cryptography Over Chat Channels			
17:45-18:30		Session 14: Workshop CYBERMACS Student	Session 15: Student	Session 16: Student	Workshop: EIT funding opportunities for tech development
18:30-19:30		Workshop: Vezilka			
20:00	Gala Dinner in Hotel Drim				
Sunday 26.04.2026					
Time	Lobby	Congress Hall	Piano Hall	Diplomatic Hall	Director Hall
09:00-10:00		Session 17: Workshop CYBERMACS	Session 18: Workshop CYBERMACS		
09:30-10:00					
10:00-11:00				Workshop: Improvement of the teaching process: quality, didactic and inclusivity	Workshop: Vezilka
11:00-12:00				Closing Ceremony (Congress Hall)
